How can I create a Demo Account?

Account Opening & Managing · https://en.wmmarkets.com/knowledge-base/account-opening-managing/how-can-i-create-a-demo-account/

To open a Demo account, follow the below steps:

A - If you are not registered to the Portal:

1. Visit the WM Markets website and click "Open Account".
2. Select the section "New to Portal"
3. Fill out the required information and click "Sign Up" (Choose Account Type "Demo")
4. You will receive an email with a link to verify your email address
5. Click on the link to receive a message confirming your verification with a login button
6. Click “Login” to enter the Portal
7. Type the email and password that you used for registration
8. Complete your profile and press Finish
9. Upload the required documents
10. From the Accounts Section on the WM Portal Homepage select the “Demo” tab and click on “New Demo Account”
11. Choose your preferred platform (MT4/MT5), base currency, and leverage for the account
12. Confirm your current portal password (if the password does not match an error message will appear)
13. Press Submit
14. Your Demo account details will appear. You will also receive the details in an email:

a. Login: "Ac Number"

b. Password: As specified by you during registration

15. You may now proceed to Download the MT4 or MT5 platform

B - If you are already registered to the Portal:

1- Log in to your Portal

2- Type the email and password that you used for registration

3- Click "Sign in" and follow steps 8 to 15

The Demo Account will allow you to trade for 1 year. If you wish to add more virtual money after registration, you may do so by emailing customer support at: support@wmmarkets.com stating your Demo Account number and the amount that you wish to add.
