Internal transfers can be made free of charge through the Portal.

1- Log into your Portal

2- Click on ‘Internal Transfer’

3- Select ‘Source Account’ and ‘Target Account’

(The account from which you want to withdraw and the account you wish to make a deposit respectively)

4- Enter the amount of your choice

5- Click on ‘Submit’

Note! Internal transfers can only be made between accounts with the same account currency
