If you lose your Deposit Bonus, you can start again from the beginning and reclaim it in full, with new deposits. The bonus is 100% renewable, and you can claim it multiple times until you reach the maximum credit limit you unlocked. Every time you climb to a higher Loyalty Status, you unlock a higher total upper limit for the bonus. The highest maximum limit you reach remains valid, even if at any point you drop to a lower Loyalty Level. This means that your maximum bonus cap continues to apply at all times.
