Does the MT5 platform include Expert Advisors?

Trading Platform · https://en.wmmarkets.com/knowledge-base/trading-platform/does-the-mt5-platform-include-expert-advisors/

Although MT5 supports the use of Expert Advisors (EAs), WM Markets does not offer technical support for their operation. Clients are encouraged to use EAs at their own discretion and to ensure they have a thorough understanding of how to configure and manage them effectively.
