If you are already a registered client with WM Markets, you can use your account number from the WM Portal along with your registered password to access any MT5 platform.

Follow these simple steps to log in:

Open the MT5 platform.
Navigate to the ‘Navigator’ window.
Right-click on the ‘Accounts’ section.
Select ‘Login to Trade Account’ from the context menu.
Enter the following details:
Trading ID: Your WM Markets Account Number.
Password: The password you set during registration.
Choose the appropriate server:
Live Account: Select "WMMarkets-REAL."
Demo Account: Select "WMMarkets-DEMO."
Click ‘OK’ to log in successfully and begin trading.
