How do I place a pending order on the MT5?

Trading Platform · https://en.wmmarkets.com/knowledge-base/trading-platform/how-do-i-place-a-pending-order-on-the-mt5/

To place a pending order on the MetaTrader 5 (MT5) platform, follow these steps:

1. Double click on the instrument for which you want to place the pending order
2. From the order window, change Order Type to ‘Pending Order’
3. Select volume
4. Select the Type of the Pending order (Buy Limit, Sell Limit, Buy Stop, Sell Stop)
5. Set the price
6. Click ‘Place’ to place the order
