Can a friend/family member trade for me?

Trading · https://en.wmmarkets.com/knowledge-base/trading/can-a-friend-family-member-trade-for-me/

Online trading is performed via trading Platforms; it is up to you to decide with whom you share your credentials as this will allow them to access your account trade on your behalf. WM Markets, however, does not reveal clients' information or share Client account details to any third party and direct communications of any kind are exclusively reserved to the account holder whose details are registered in our records.
