What are the risks involved in trading CFDs?

Trading · https://en.wmmarkets.com/knowledge-base/trading/what-are-the-risks-involved-in-trading-cfds/

CFDs are complex instruments that involve a high level of risk, including but not limited to market and counterparty risks, and are therefore not suitable for all investors. More information is available in the 'Client Account Agreement' under 'Legal Documents' on the Portal or on our website.
